

Tieto's comparison figures based on the new business structure

Tieto Corporation STOCK EXCHANGE RELEASE 28 June 2019, 9.00 am EET

Tieto's operating model has been aligned to the strategy launched in February 2019. Implementation of the new simplified operating model has been completed. As from the second-quarter interim report to be published on 19 July, the following businesses will constitute reportable segments for Tieto:

- Digital Experience
- Hybrid Infra
- Industry Software
- Product Development Services

Tieto's financial reporting for 2018 and the first quarter of 2019 has been adjusted to account for the changes. Comparison figures and a description of the segments are available in the attachment. Additional material is available on the company's [website](#).
