

## TietoEVRY's Capital Markets Day 2020: Positioning for growth

TietoEVRY Corporation

STOCK EXCHANGE RELEASE

3 December 2020 13.00 pm EET

TietoEVRY is holding its Capital Markets Day 2020 today – the first one as a combined company. The virtual event will center around “Positioning for growth” and large part of TietoEVRY’s Group Leadership members will also be presenting. The company has laid out its long-term financial targets and will discuss drivers for growth and profitability during the day.

“We see a very attractive market with possibilities for our customers to accelerate their business performance through the data-driven opportunities and software-driven digitalization. Agile enterprises are becoming a new norm and we at TietoEVRY are at the core of the advanced digital future. Our exposure to high-growth areas, driven by powerful long-term trends, gives us confidence in the accelerating growth outlook for our newly combined company, underpinned by a focus on our people. We build our culture on the Nordic values creating a diverse and inclusive workplace where the more flexible ways of working are empowered,” says Kimmo Alkio, President and CEO.

The main financial targets introduced during the day include

- Growth accelerating to 5% by 2023
- Adjusted EBITA 15% by 2023
- Net debt/EBITDA below 2 by the end of 2022
- Dividends increased annually<sup>\*)</sup>

<sup>\*)</sup> Baseline of EUR 1.27 per share, which was the initial dividend proposal to the Annual General Meeting 2020

TietoEVRY’s Capital Markets Day will be webcast through a live stream. A link to the webcast and materials for the event is available at [www.tietoevry.com/Investors](http://www.tietoevry.com/Investors). On-demand video will be available after the event.
