

## TietoEVRY invoicing addresses

Please always send **electronic invoices** to all TietoEvry companies except those located outside EU.

If electronic invoicing is not possible, please send **pdf invoices** to our email scanning mailboxes.

**Paper format invoices** is the last option to be used.

Remember that invoices should always state **correct legal name** and **mandatory reference information** (purchaser name or Purchase Order number). Without this information we won't be able to process invoice for payment.
