

PPS Step 1

Do you need help to steer your project from start to finish?
Do you want to communicate easily with the surrounding world?
Are the benefits of your project clear?

PPS Step 1 helps you manage a project from start to finish. As a project manager, you must be able to create a stable foundation and establish your objective, plans and status with all those who are interested parties. Communication is a prerequisite for a successful project. After PPS Step 1 you will be able to plan, manage and follow-up your project successfully.

Objective

After the course you will have:

- Knowledge of the PPS approach and structure
- Understanding of the project manager's responsibility and relation to the orderer and the steering group
- The ability to apply the fundamental skills
- Support to handle common challenges with project work

Target group

Everyone who wants to develop their ability to manage a project.

Basic knowledge

Experience of work in a project.
